Thoughts from the President

The Chatmoss Experience is in full swing, with our members enjoying a glistering pool, cabana treats, tennis and fitness events, world class golf, a lively bar scene, and fun casual and fabulous formal dining options! Our management and staff are again to be commended for all of their efforts in making Chatmoss the finest country club in southwest Virginia! I also want to thank some great friends of Chatmoss, who have donated their time, talents, and gifts over the last few months. We have new pool umbrellas, new dining chairs in the Virginia room, a successful member work day, not to mention significant attention to detail on painting, wallpaper, carpet, and many other areas. Thanks to all of your acts of kindness to Chatmoss! Kudos also to our Event and House committee for raising the bar on all of our events. Fridays at Chatmoss are not to be missed!

I want to again thank our membership committee for its efforts in retooling our junior member program. This has resulted in several new members, and additional plans are in place for a prospective junior member experience event on June 26th.

A recent addition to our board is Debbie Toms, who will serve as Treasurer/Finance Committee Chair. Debbie is a long time member of our club and we are very fortunate to have her on the Board!

On a very sad note, we mourn the loss of Steve Dashoff, a past President and good friend. We will all miss Steve's leadership and insight, and his genuine interest in Chatmoss. He touched us all and will be sorely missed.

Thanks and see you at the club!

Richard Lawhon
President

Comments from the General Manager

The first official day of summer is rapidly approaching as is the hottest week of the pool season so far. The Chatmoss Pool opened with a splash for the 2015 season. If you haven't had a chance to enjoy the pool, please stop by and spend the day with us! Many thanks to Eric Monday for his tireless efforts and ongoing support. The pool looks much prettier this year thanks to the new umbrellas and knockout roses donated by the Monday Family!

My sincerest thanks also goes out to the Robertson Family for their generous donation of Chairs for the clubhouse. In my entire career in Club Management, I have never experienced such generosity from the membership. So much goes into the day to day operation of a first class club like Chatmoss and donations from such a supportive membership are very much appreciated!

Please plan on spending the 4th of July with your Chatmoss Family. Chef Joe has a wide array of cook out favorites planned this year including Hot Dogs, Hamburgers, Grilled Chicken, Ribs and so much more.

Last summer's first Chatmoss Shrimp & Oyster fest was a huge success. We plan on a second one this summer on July 14th, Mark your calendars and make your reservations today! Reservations are greatly appreciated and help us not only have enough food but schedule enough staff to give the membership the best possible service! Many other events are scheduled to keep your summer busy. Please check the calendar and be on the lookout for Emma's throughout the summer.

Looking for something to keep the little ones occupied in July? We still have some openings for the July Summer Camp scheduled July 13-July 16th. The Camp is loaded with activities to keep the kids busy. Please visit our Website to download a registration form.

I just recently experienced the loss of someone very dear to me and shortly after learned of the passing of Mr. Dashoff. There are no words to express how loss will affect your life, but it is the impact they made in your life that we remember. The life that we have is very short. Please take time to enjoy your family and friends.

Looking forward to seeing everyone this summer,

Michael Bummel
General Manager

Chatmoss Junior Club Championship

The Chatmoss Junior Championship, formally known as the Henry County Junior Championship, allowed for the first time in its 50 plus year history that players outside of the county were able to compete.

However, it was only fitting that local player and Chatmoss regular, Woodson Smith, hoisted the trophy after a two-day total of 1-under par 143 (72-71-143). Woodson is the son of long-time members Will and Susan Smith. Woodson has been a regular around Chatmoss since he was just a kid and made Chatmoss proud to win this event.

The Henry County Juniors has produced some of the greatest golfers to come out of the area. They include current mini-tour professionals Adam Webb and Jack Adkins, as well as long-time mini tour veteran Jerry Wood. Current members Bill Sibbick and Keith Decker also played in the junior tournament where they both went on to have excellent college careers. Sibbick played his college golf at UNC-Chapel Hill and Decker took his talents to Elon College where he led the team to an NIAI National Championship his Senior year.

Of all the tournaments in Virginia Decker has won, he never won the Henry County Juniors. He finished runner up four years in a row at ages 14, 15, 16, and 17.

Burch, Hodges, Stone was the main sponsor for the event, with Chemical Solutions, without their help in recent years this golf tournament with over 50 years of tradition may have faded away. Robby Burton and Will Smith, were both junior golf standout in the mid-1990s, and both spearheaded the effort to keep this junior tournament going.

More recent champions of the Henry County Juniors include Wes Smith, Basil Boyd, and Dylan Jensen. Jensen went on to be a stand out college golfer at Longwood University; Smith a rising sophomore at James Madison University, and Boyd currently attends Woodberry Forest.

Head Golf Professional Robert Weinerth has high hopes for the tournaments future and has it poised to grow bigger and bigger with each year as it continues to produce young golf talents in the area.

Junior Camp Big Success

Kids are having a great time this month with Assistant Professional P.C. Wells as he teaches them the basics of golf. The kids have enjoyed learning how to play the game of golf as well as the occasional 'range pick relay race' that has also been a huge hit with the kids.

First of all let me say this may be my shortest ever newsletter. Not that I don't have a lot I could talk about but because we have so much to talk about that it has caused me to be very late getting started on this. The storm which hit us late in the day on June 17 is easily the largest amount of storm damage I have dealt with in the years I have been here. I am certain though that we will get things back together very soon. The members involved with helping us through this have done a fantastic job. As soon as I got here to survey the damage that evening, everyone has offered to help out in one way or another. The member's

Sorry, interrupted by a fire at the Cabana!! Unreal.

In closing, thanks to all the members who volunteer your time and expertise to help out with these crises. Even in chaotic circumstances it's great to know as employees we have steady leadership and we will get through anything thrown our way.

Tennis

June has been a whirlwind month at the tennis center. At the time of this newsletter, we are cleaning up from the storm that ripped through Chatmoss. We did sustain some damage to our fences. Court six will be closed to play as the fence is leaning in on that court. Court 3 is open but balls may roll up the fence and go over. At this time, we do not have a timetable for repairs. Please check with us in the pro shop for updates with this project.

We have many activities going on in the upcoming months. Sports camp has been a big hit in June, and we are looking forward to the July camp. Our Men's Round Robin and Ladies' Days are on-going. Please check below for upcoming dates. We also have our Ladies Team Match against the Roanoke Stars on July 23. Summer will come and go before we know it.

With August approaching, we do turn our attention to the approaching school year and the beginning of our after school clinics. Our plan is to do clinics on Tuesday afternoon again beginning on August 18. As we get closer to the start of this clinic check with us about the details on timing for these. We look forward to seeing all of their young smiling faces back on the court.

Fitness Center

Summer is always such a busy time for everyone, so it is tough to find time to work out or even bring yourself to come inside to workout unless you are escaping the heat. Classes are ongoing; and as always, the schedule is posted online as well as a weekly email outlining classes for the upcoming week is sent on Sundays. If you are not receiving these emails, please call the tennis pro shop so we can update our information.

As always, we ask you, our members, to follow the posted rules for the fitness center. A few of these include:

- Please sign in when you arrive at the fitness center.
- Sign in guests. Guest fee is \$10.00 per visit.
- Please put up all weights when done with them.
- Wipe down equipment after using them.
- Be respectful of fellow members and do use profanity in the fitness center.

Following these rules and other posted rules make the experience for everyone more enjoyable.

The Walking Club this past spring was another success. We had 2000 miles of walking recorded, and I am sure many more were done. Those who walked at least 200 miles were Rebecca Crabtree, Joe Williams, Carin Gregory, Beth Sibbick. Walking at least 300 miles was Laura Hundley. Our big winner was Al Hundley who walked a grand total of 411 miles. Keep up the great work and stay active.

We are excited to be offering a new class this summer by a new instructor. The class is P90x and it is on Tuesdays at 11:15 in July. It is taught by Lori Puckett Strachan. Do not let the name scare you off. Lori offers many modifications to the moves, and it is a great work out. We are glad to add her to a great group of instructors here at Chatmoss.

As school starts back up at the end of August, we look forward to a busy schedule and fitness center as a new school begins and fall being right around the corner. We look forward to seeing everyone at the fitness complex, and if you have any questions or concerns, please feel free to contact the tennis pro shop with these, and we will address them

Gratefully,

Mike Weidl
Fitness Director

Serving It Up From Chef Joe

What a week!! Just as the pool season is really kicking off we get hit with two unimaginable circumstances. After closing the pool for two days due to storm damage, we instantly turn around to a fire at the Cabana!! We will still be offering food and beverages with a limited menu until we can get the Cabana up and running again; and remember, the club house is always available for take-out. We are swiftly and diligently working to get everything put back together but these things can take time so please be patient with us.

On a lighter note, we have Fourth of July right around the corner with a great outdoor cookout planned. Then if you missed out on the Shrimp & Oysterfest last year, you'll have a second chance on Tuesday, July 14th. This was an amazing event last year and sure to sell out fast! Make your reservations today!! In closing, I'd like to thank the staff and members for all the hard work they've done to help with the clean up. We couldn't make it without everyone's help.

Chef William "Joe" Lilly
