## Thoughts from the President

The Chatmoss Experience is in full swing! We have just come off a fun Member-Guest, Member – Member Weekend, and a very successful wine dinner. Our golf course is shaping up nicely after our extensive tree work to improve air flow and sunshine. We have altered our senior membership categories to appeal to new and former members. The Pool is very active, and the new Pavilion is a beautiful place for a snack, lunch, or have an adult beverage.

Thanks to our members who utilize our facilities and who offer their suggestions to make our Club the best in the region. A special thanks to our staff, who maintain our clubhouse and grounds, and provide a wonderful place to relax, dine, have our special functions, and play!

*Richard Lawhon*

President

## Summer Social

**Saturday, August 6th**

**6:00pm - 12:00am**

**Cash Bar**

**Back by Popular Demand...**

**Nite trax Band (formerly Heartbeat of Soul)**

T3	Jinks Morris - Ran Isley	62-65-127

\* won on the first playoff hole

Since last newsletter, you have likely noticed that a lot of sodding has been done on the greens and collars. The greens did make a good comeback as temperatures finally started to warm in late April and May. Several areas that were struggling, mainly the areas where we had tried to enlarge the greens previously, have been allowed to grow taller and changed to collar height temporarily. Some areas were still bad enough that we sodded quite a bit even on collars, plus we have tried to sod the worst areas that were still on actual putting surfaces. We have not tried to push much in terms of green speed due to the need for healing earlier. Now that we are in the heat of the summer, we'll do our best to keep them rolling good but now is definitely not a time to push them even if they were 100% covered.

We have finished grinding stumps for the moment and are in the process of cleaning up and burning brush, and grading the areas on 2, 3 and 18 soon. In these areas, we are looking at options for regrassing with some type of native grass mixture. We have several options to consider, from cool season varieties like tall fescue, hard fescue or fine fescue. All of these can provide an attractive natural area but are best seeded in the fall. There are also warm season mixes that may work well, possibly even utilizing something like wildflowers in the mix which would probably do better if we are able to seed sooner. We are also looking at our best seeding options which likely will involve hydroseeding for quicker, more even establishment and much better erosion prevention.

The latter part of June and early July we will look to do some sodding in a few areas of the course. A few fairways have some blemishes and there is still a bad area of rough on 14 to the right, along with improving the rear surrounds on 11. We have also looked at the area coming off the cart path at the new ladies tee on 9 as well. We hope to knock these areas out and work toward prepping the course for Member Guest. Also doing some inhouse collar adjustments where we can improve surface water removal from greens in some of the worst areas for ponding.

The Green Committee will be looking at setting up our intended drainage work on the greens for this fall as we get near the end of summer. Some areas that have become collar will be brought back into putting surface where it increases pinable locations. Some areas will remain collar if not usable for hole locations. So far the newly sodded three green is doing fairly well and is benefitting from improved sunlight, especially early morning sun. We will know a lot more by the end of summer how much comfort we have in the 007 sod.

*Jody Reece*

# Tennis

June has been a whirlwind month at the tennis center. We are in the beginnings of a pickleball group developing at Chatmoss to join our tennis players. We had a great turnout for our pickleball night in June. If you have not tried it yet, come out to one of our events to try it. It is a fun fast game that our players are picking up quickly.

We have many activities going on in the upcoming months. We are looking forward to the July sports camp. Our ladies days and new pickleball events are continuing. Please check below for upcoming dates. We also had our Ladies team match against the Roanoke Stars on June 23. Check our facebook page "Chatmoss Country Club Tennis" for results and ongoing at the Tennis Center. We also have our Junior Clinic Program going on. Please check with the pro shop with ongoing dates and times for the summer. Summer will come and go before we know it.

With August approaching, we do turn our attention to the approaching school year and the beginning of our afterschool junior program. Our plan is to do clinics on Tuesday afternoons. As we get closer to the start of the school year, check with us about the details on timing for these clinics. We look forward to seeing all of their young smiling faces back on the court.

## Tennis Calendar

July 6th Pickleball Round Robin 11:00 am

July 13th Ladies Round Robin 9:00 am

July 20th Pickelball Evening Round Robin 6:00 pm

August 3rd Ladies' Round Robin 9:00 am

August TBA Parent Child Night

Events subject to change; check in the pro shop for up to date calendars

*Mike Weidl*  
Director of Tennis

# Fitness Center

Summer is always such a busy time for everyone, so it is tough to find time to work out or even bring yourself to come inside to work out unless you are escaping the heat. Classes are ongoing, and as always, the schedule is posted online as well as a weekly email outlining classes for the upcoming week are sent on Sundays. If you are not receiving these emails, please call the tennis pro shop so we can update our information.

As always, we ask you, our members, to follow the posted rules for the fitness center. A few of these include

- Please sign in when you arrive at the fitness center.
- Sign in guests. Guest fee is \$10.00 per visit.
- Please put up all weights when done with them.
- Wipe down equipment when finished using.
- Be respectful and mindful of your fellow members as you use the fitness center.

Following these rules and other posted rules make the experience more enjoyable for everyone.

As school starts back up at the end of August, we look forward to a busy schedule and fitness center as a new school year begins and fall being right around the corner. We look forward to seeing everyone at the fitness complex, and if you have any questions or concerns, please feel free to contact the tennis pro shop with these and we will address them

Gratefully,

*Mike Weidl*  
Fitness Director

The summer heat has started to arrive in full force. The new Pavilion is up and running, and if you haven't had a chance to visit, please take the time to get a cold drink and have a quick swim. I would like to thank the membership for their participation in our Memorial Day festivities to kick off the summer. Also, thanks to Mrs. Hamlet for the great wine she brought to us at her Annual Wine Dinner. It was a great success. Check the gallery for all of our summer events. Your participation is always welcome.

I would like to take a minute to congratulate one of our former employees, Emily Scott, Dr. LaFave's granddaughter. She did her apprenticeship from JMU in food and beverage at Chatmoss for 2 years. She has since graduated and now is working for J.R. Alexander's in Toledo, Ohio as sous chef and is looking forward to growing with the company quickly in her career. I would like to thank our employees and members for treating one of our own students the Chatmoss way for success. Job well done Emily!!

Looking forward to seeing you at the Club and always thank you for your support!!!

*Chef William "Joe" Lilly*
