## Thoughts from the President

I am honored to serve and to lead Chatmoss Country Club for the next two years! I would like to acknowledge John Collins for his leadership in guiding the Club thru a manager search and other challenging issues. Our outgoing Board members are also to be commended, as this is a volunteer Board and many hours have been spent on every facet of Chatmoss. For 2015 and beyond, our Board, our general manager Michael Bummel, and the entire Chatmoss staff, will focus on enhancing the "Chatmoss Experience" for our membership. Hopefully you have seen improvements to the website, facebook, newsletter, email communications, tennis and golf apparel, ladies golf, monthly dining events and activities, the grounds, and many other areas. As we speak a new four tap draft beer system is being installed! Moving forward, we will also be reviewing our categories of membership to ensure we maintain a strong, healthy member base going forward. We also recognize that we cannot achieve success without your input and usage of the club. I would also like to remember our friend Bill Franck, who had a vision in 1958 to provide this community with the finest country club in the area. The "Chatmoss Experience" is based on that vision. I hope to see you at the Club!

Sincerely,

*Richard Lawhon*

President

*In Memoriam

## Comments from the General Manager

It's hard to believe that I am writing my third letter for 2015 already. After a cold and wet winter, I think we are all ready to see the trees blossom and I know the children are excited for the opening of the pool.

We are already well into our spring golf season with several tournaments under our belts. The beautiful weather recently has quickly transformed the golf course into a blanket of green. The Shamrock Classic Golf Tournament had a great turn out this year as did the most recent Chatmoss Invitational over the Easter weekend. Congratulations to the winners, Buck Brittain and Rich Buckner.

tions to the winners, Buck Brittain and Rich Buckner.

This year's Easter Sunday Buffet & Bunny Breakfast set some record numbers. It brings back wonderful memories of my girls scouring the lawn for eggs as I watched all of the excitement from the little ones running across the Chatmoss lawn and gathering eggs in their baskets. Please check the Facebook page for many pictures from both events.

The Chatmoss Pool will open this year on May 23rd with a new, more kid friendly and streamlined menu. Carolina Pool Management will once again be handling the lifeguards and operation of the pool. We are looking forward to a great 2015 season.

The outdoor tennis courts have been resurfaced, look great and are now ready for play. Carve a few hours from your schedule while the spring weather is still cool to hit the courts. Mike and Cordie are always available for lessons.

Keep an eye out for emails and the Website as the Chef is working daily on new lunch and dinner specials. With the help of Richard Lawhon and Sergio Amato, I am pleased to announce that we now have four draft beers on tap. We will be featuring a variety of local craft beers.

Expect more drink and beers specials in the Elmwood Bar this spring. With the milder weather, the patio dining is open and ready for service. The fire pit is also available for those cooler evenings and creates a warm intimate atmosphere.

The warmer weather also creates a buzz in membership. There's no better time than the spring to help sell and show off our beautiful club. If you know of anyone looking for the Chatmoss experience, please direct them my way.

As always,  
At your service,

*Michael Bummel*  
General Manager

Spring is here and everything is in full bloom. Actually dogwoods and azaleas are now prominent, coming right on the heels of forsythia and redbuds. This is always an enjoyable but busy time of the year. Everything starts growing with warmer weather and spring rains. This year has been especially tough as most of the rain hit us right in the middle of our greens aeration and really threw a wrench in our process. This along with a couple of fertilizer applications and completion of our tree removal work will keep us really busy over the next several weeks as we try to transition into maintenance mode.

On a positive note, the bermudagrass has really come on strong lately and barring a late frost I'm feeling good about it. It is certainly a welcome blessing in those areas where the ryegrass never really rebounded completely. Right now we are about a month away from spraying to kill the ryegrass and turning our attention to getting the bermudagrass healthy.

As I mentioned we have some work to do to get on schedule. Areas where trees and stumps were removed need to be reseeded, drainage repair work needs to be completed on 10 and 7, greens need work both recuperating from aeration, as well as addressing some of the bare areas. Right now we just need a little drier conditions.

# Tennis

Spring has sprung, but so far our spring has been very wet. Outdoor courts are open and playable, and we are looking forward to seeing everyone out playing. If you have any questions about the court conditions, feel free to call the pro shop to check their playability. If you start playing outside and then weather moves you indoors, please be sure to use the tennis two step outside to clean shoes of their clay prior to playing indoors. Three of the outdoor courts have lights and are controlled by a switch behind court one. If you have any questions as how to use the lights, please check with the pro shop.

The six month indoor contract times will end on May 1st. If you have any banked time from the winter, you may use this time during the month of May. Banked time would be any 6 month contract time that you were unable to use during the winter. If you have any questions about your indoor times, please call the pro shop.

Please check our bulletin board for up to date information about upcoming events. If you have Facebook, please like Chatmoss Country Club Tennis and check for updates and what is going on with your fellow club members.

## Calendar of Events

**April 30th** — Ladies Match • 9:00am

**May 6th** — Ladies Round Robin • 9:00am

**May 7th** — Men's Round Robin • 6:00pm

# Fitness Center

Warmer weather is here and the time has come to shed those winter layers. Join any of our group classes to work out with your fellow club members and get ready for the summer. Our class schedules are posted online and printed for you to take with you in the fitness center. We send out an email on Sundays that show the classes and instructors for the upcoming week. If you are not receiving these emails, please contact Judy at the tennis pro shop to be put on the mailing list.

Fitness center hours are from 5:30 am to 9:00 pm. Please sign in when you arrive in the fitness center. Guest fees are \$10.00 per visit for non-members. Please sign in your guests. When using the center, please remove weights from all bars when done using, and please wipe equipment down. Please help us to keep the center ready for all members to use. If, at any time, you have an issue with any of the equipment, please let the pro shop know and we will address the issue.

Spring also brings about our annual walking club. We started April 13, but it is not too late to join in on the fun. The club runs from April 13 until May 24. You can call the tennis pro shop to update us with your results. Any walking activity counts. Playing tennis, golf, mowing the yard, really anything counts toward your totals. The only activities that do not count are miles biked or swimming. Join your fellow club members on this fun journey towards better fitness. If you have any questions, please call the tennis pro shop.

As always check our workout schedule for any class modifications or to see when your favorite instructor is teaching. We look forward to seeing you at the sports complex. Our number is 632-1857.

Gratefully,

*Mike Weidl*
