Thoughts from the President

I always enjoy the kickoff to October at Chatmoss with a new tradition, Pink For the Week, to raise monies for ladies cancer awareness. Events included walking, tennis, and golf; please mark your calendars next year for this special week! As we enter the fall, I want to again encourage you to utilize all the benefits of membership at Chatmoss. We make every effort to provide a full complement of services and our staff does an excellent job in that area, as do our members who give their resources to keep a full slate of fun activities running at the club. If you attended the Motown Showcase this month, this is an example of members and Club staff putting on a fabulous evening of entertainment. Our goal will be to continue to offer those activities where our membership participates, and to evaluate those activities where we have minimal participation. Your input is always appreciated!

On behalf of the Board, thanks for your usage at the Club and look forward to serving you this fall!

Richard Lawhon

President

Comments from the Clubhouse Manager

Time sure passes quickly. It is hard to believe we are getting ready for the Pumpkin Open and our traditional Halloween Celebration which means Thanksgiving and Christmas will be here before we know it.

A BIG THANK YOU to everyone who volunteered to help with the Member Work Day, and thank you to Vicki and Ray Harm who organized the event and kept us working. I would like to thank Carin Gregory and Beth Sibbick, organizers for Pink for the Week. They worked very hard to bring this event to the Club and raise money for a very worthy cause. Also, thanks to Myrtle Robertson and the members who sponsored the Motown Legacy Revue for the fabulous evening on October 7.

I hope you will look over our upcoming events and plan to attend as many as you can. All of us at Chatmoss look forward to serving you in any way we can, and we hope to see you at the Club.

I thank you for allowing me to be a part of such a great place, and I cannot thank the members enough for their kindnesses to me, and I will continue to serve you in any way I can.

It is my hope that all of you have a wonderful Holiday Season.

As the Holiday Season approaches, I would like to thank all of you for being members of the Club. As members, I feel you should have a club that makes you proud, one that you eagerly show to friends. We have a beautiful piece of property here, and it is my plan to keep it looking and functioning at a high level.

I would like to thank the staff and all department heads for helping me transition into my new role. They have been terrific. I would also like to thank all members that helped Jody, Lee, and the maintenance crew on Member Work Day. Vickie and Ray have spearheaded this campaign and deserve high praise for their efforts.

It is our goal that Chatmoss is a place of enjoyment and relaxation, if we can serve you better in any way, please contact me.

This month there are certainly a lot of questions on everyone's mind. I will try to give you a brief update of where we are in terms of the future of our greens. As most of you are aware, the Green Committee has spent well over a year researching options to provide the best putting greens possible for our Members. I'm sure they can tell you it has not been an easy task. We have talked with numerous experts, discussed the many climatic and environmental variables that control the health of the grass and have tried to put a plan in place to control as many of these variables as possible. After gathering a massive amount of information and formulating a plan that was thought to be our only affordable option to improve our bentgrass greens chances of survival, a fairly successful fundraising campaign was started with the intent of installing drainage channels in several of our worst greens beginning this fall.

Then reality hit, in the form of the Summer of 2016. To say this was a brutal summer for bentgrass greens is an understatement. Damage was not just isolated to old push up greens with no internal drainage. Even courses with USGA greens struggled. Many lost grass. Many courses in the Raleigh/Durham area as well as the Triad area of N.C. actually closed down during some of the hotter weather to protect their bentgrass greens. At this point, we were left with a lot of questions as we looked ahead to this fall and the plan that was in place. Further discussions with turfgrass experts and fellow golf course superintendents gave new information to ponder. At this point no one was comfortable that our plan to put drainage into these existing greens was insurance enough against the weather we are faced with all too frequently. We quickly started re-evaluating our options.

We have since gone back to studying the option of converting to an ultradwarf bermudagrass. For one, information we had previously been given pointed to this being too expensive an option, we believe is inaccurate. We actually hope to have that true cost determined very shortly. Assuming we are correct about the cost to convert, our confidence in this being the best avenue for dramatically improving our putting greens is very high. We know there are many questions, and we are hopeful that we will be able to have a presentation at least by the first part of November where these can be addressed.

Golf Course Superintendent

Tennis

As we turn the calendar to November another year of outdoor tennis is coming to an end. We do not have a set date when we will be closing the outdoor courts. We will let mother nature dictate that to us. When the low during the night drops below 30 degrees, we will experience some freezing of the courts. The greatest impact of this is the following day as the temperature rebounds and the courts thaw out, they will be both wet and soft. Please check with the Pro shop about the condition of the outdoor courts if you have any question about their playability.

The holiday season is right around the corner. Remember the Tennis Pro shop for your holiday needs. We do offer Gift Certificates if you are unsure what to give as a gift. They can be given in any amount you may like.

Many of you have already committed to an indoor time with your group. There is still availability for anyone who may like to get a court for the winter season. Contract time costs are listed below. The cost would be divided among the members of the group.

90 minutes \$650.00

120 minutes \$800.00

We are offering non-members the opportunity to purchase unused indoor court time. This only gives the non-member the opportunity to play during their indoor time. If you have a non-member that would like to join a indoor contract with our members, please let me know and I can give you the cost for the court. If you have any questions, please feel to contact us in the Tennis Pro shop.

I want to thank Beth Sibbick and Carin Gregory for all their work in making the Second Annual Pink for the Week event such a success. We had a great time with the tennis tournament, and we are already looking forward to 2017 and adding another event. Thanks again for all you guys do.

Fitness Center

This time of year is filled with Holiday activities. Shopping, cooking, traveling, and visiting with friends can make it difficult to find time to come work out. The hours of the fitness center allows for you to have the flexibility to come in and get a work out in a when time permits. Fitness center hours are 5:30 am – 9:00 pm. Finding a time to work out during this busy time will make you feel better and more energetic. Please check our group class schedule to see if there is a class that you may like to attend to help with your workout routine. Remember any class you attend for the first time is free of charge for members. Please sign in prior to working out. If you have a guest with you please sign them in with you. The guest fee for them is \$10.00.

We offer various price points for our group classes. You can pay by the class at \$10.00 per class. A 10 class card for \$80.00. Unlimited month pass for \$85.00. A 10 class card can be a great gift for that person who is working out.

Personal Training can be a great way to change up your workout routine. We have two trainers on staff Lori Strachan and Sharon Minish. They can tailor a workout to meet your needs. If you need any information about personal training or our group classes, please call the tennis pro shop and we will be glad to help however we can.

We send out a schedule of classes for the upcoming week on Sundays. If you are not receiving these emails let us know so we can get you added. Please check the fitness calendar in the upcoming months for our class schedule. The classes will be on a different schedule during the holidays.

If you have any fitness questions, fell free to contact us in the pro shop.
