## Thoughts from the President

We have just completed our Annual Member Guest as I write this, and I think about that weekend as a turning point upwards at Chatmoss! We had a full field of golfers and guests, a busy weekend of fun activities and delicious food for the participants and non playing members; all overseen by a new energetic management team. The Pool was full of members and their guests, frozen cocktails in hand, complementing the new look of the Pavilion. Some were commenting about the new Pickle Ball craze, others wondering when the next Bocce Ball tournament will be. All the while the new management team and House Committee were planning the next event. Very exciting times!!!!

I would like to congratulate again, Judy Chaney and PC Wells, in their new leadership positions, and also congratulate our Professional staff, Wait and Kitchen staff, Maintenance and Grounds staff, for allowing us to be part of the very best club in the region. I also want to thank our very involved membership, who are so committed to keeping ongoing fun activities for our members. When you have members like Dean Johnston working behind the scenes all weekend at the Member Guest (did he win it too????), and Myrtle Robertson creating a wildly popular weekly game night and dinner, and many others I could mention but we don't have enough pages in the newsletter, I can't say thank you enough. From all of us on the Board, thanks for your participation and interest in Chatmoss Country Club!

*Richard Lawhon*

President

## Comments from the Clubhouse Manager

Hi Chatmoss Members,

It has been a pleasure to be back in the Clubhouse and to be working with you, the members. It has been an exciting time, but it has also been busy. I have learned a lot, and I am sure I will continue to learn. It is a blessing to be able to work with the membership. All of you are very special, and I look forward to working with you in the months to come.

I want to thank you and the Board for having confidence in me, and I am truly grateful for all of your kind words of encouragement. I will always do my best to promote Chatmoss. Also, I would like to thank my co-workers for their co-operation and willingness to work with me.

The House Committee is planning some exciting events for the Club. Our Labor Day Cookout is coming up soon, as the official end of summer approaches. Also, Prime Rib nights will be September 15 and October 13. Member Grounds workday will be September 24. We will have "Pink for the Week" on October 4, 5, and 6, a dance in October, the Pumpkin Open, and our Halloween events. November brings the Fashion Show and Thanksgiving. Some new events are in the making, so stay tuned.

I hope to see you at the Club very soon.

Summer is rapidly coming to a close, none too soon for the greens. With all the reseeded, resodded and weak areas that have needed extra care, we have tried our best to be very cautious with the greens this summer. Turfgrass experts warn against pushing the grass too hard in the summer. Low heights of cut, double cutting, mowing and rolling too often trying to maintain fast putting greens is not advised. Raising/keeping mowing heights higher, alternating between mowing and rolling, skipping days mowing, venting when possible with small solid tines for drying out the soil, are all important factors that were recommended and utilized. Infrequent watering with supplemental handwatering in the absence of rainfall trying to achieve as dry of a putting surface as possible is a must. The use of preventive applications of fungicides is a must, and in situations of high disease pressure, it is recommended to spray at the shortest interval and highest rate allowed by the product label.

May and June continued the trend of wetter than normal, and while the temperatures were decent, most courses greens, as well as our greens, stayed fairly healthy. Once again the first part of July, conditions took a turn for the worst. While not as bad as last year, we still we had just over 2" of rain over 9 consecutive days. During this time we only had 3 days in which we didn't see rainfall. Some days it was just a tenth of an inch. Other days we had .45", .85", .25", and .35". To add insult to injury, 5 of those days' temperatures were at or near 90 degrees, and things only got worse over the next three weeks as 19 days saw temperatures above 90 degrees. Six of those days were mid to upper nineties. With dew points staying in the 70's and above for most days, we also had 33 nights where the temperature never went below 70 degrees.

These greens lacking drainage hold onto the excess moisture too long. Just as the water temperature in a swimming pool increases throughout the hot days of summer, the moisture in the soil heats up as well. Water warms slowly, but once warm, also cools slowly. Those unfavorable root zone temperatures are buffered upward to a point where the roots simply can no longer function. The only chance bentgrass has is to stay as dry as possible. Fans which provide air movement, sunlight (especially morning sun), and good drainage are a must.

After meeting with Dr. Yelverton again this week, the Green Committee has had most of this reaffirmed. While there are no Silver Bullet answers (summer is always going to be hotter than bentgrass likes), the remediation of poor air movement, restricted sunlight, and surface and subsurface drainage are necessary. We also have to work with limited resources. However, there are pledges being made that will help us take on more of these issues this fall. We will be working to plan which greens we will work on first with a late September timing.

# Fitness Center

Another school year begins and like many years in the past, this time of year brings a lot of us into more of a daily routine. We hope that, as your days become full of activities, that you carve out a little time to come workout with us. Fitness classes are a great way to get in a great workout in a structured atmosphere. We offer a great variety of classes and hope that you find one that interests you. We send out a weekly email detailing the classes for the upcoming week and their instructors. If you are not receiving this, please call the tennis pro shop so we can make sure to get this corrected. Below are few important things to remember about the fitness center and classes.

- Members first time to a group class is free.  
Please note on sign in.
- Sign in to the gym and group classes prior to start.
- Sign in guests. Guest fee is \$10.00
- Be respectful of fellow members with language and music while working out.
- Remove weights and replace on racks after using them.
- Wipe equipment down after use.

Doing these few simple things will hopefully make for an enjoyable experience for everyone.

We are excited about offering our member appreciation and fall kick off week. This will be the week of September 12 -16. During this week, all of our group classes will be free to our members. This is a way to say thank you to those members who have been working out with us and an opportunity for those who have been thinking of taking a class to try one out. This is a great opportunity to come out with your fellow members and enjoy a group class.

We are offering a new class this fall. Lori Strachen will be leading a boot camp on Tuesdays and Thursdays from 8:30 – 9:30 am. If you would like to try something new, this can be a great opportunity to spread your fitness wings. Classes will take place in or around the fitness center. Meet Lori in the Fitness Center at the start, and she will lead everyone to the workout for that day.

Remember that our class schedules are listed online and in print at the fitness center. We also send out a weekly schedule of upcoming classes on Sundays. If you at any time stop receiving these emails, please let us know so that we can address this. Thanks for all of your support and we look forward to seeing you at the fitness complex.

Summertime has come and gone in an incredibly scorching fashion. I hope all of you have had a great summer, maybe it was with family vacations or time spent by the pool. Fall is quickly approaching, and football is in the air. The Club

has had a great wedding season this summer with three large weddings. Thank you to the families for allowing us to be your venue for your special days.

## Thank You

On behalf of the Men's Golf Association and the Member Guest Tournament Committee, we want to thank participants and Club staff, for what is arguably, the Best Party of the year.

An event like this takes a large team to pull off. I won't mention everyone, but from Robert, PC and the Pro Shop staff, Chef, Judy, Karen and the Club, Jodie and his golf crew, it couldn't have run or been any better! Thank you!

I want to thank Frankie Shelton, Gus Barber, Will Smith, and Richard Lawhon, our President, who served as our Tournament Committee. We're always up for suggestions; feel free to pass yours along to one of these guys or the Pro Shop.

We want to thank the MGA and Sponsors for helping to cover the cost of the event. The price of admission does not cover all cost, but your MGA dues, and these members committed to a good party, make the event what we want it to be.

The 2016 tournament was a Sell Out! 42 teams competed for the title.

It was great seeing so many young people coming back into town for the event. We hope that trend grows! I heard a lot of great comments from your guests. We should be proud of our Club!

I counted over 40 carts out on the course watching the Shoot-out! Thank you to the membership for your support in playing. It takes the same effort to produce the event, regardless of numbers, but it's a lot more rewarding to do it when the event is full.

Put this event down on your 2017 calendar!

*Dean*
