Thoughts from the President

At this time of year, I like to reflect on what has been accomplished during the year and what to work/improve on in the New Year. Refinancing the club's debt through a member coordinated LLC was a major financial accomplishment that reduced the club's debt service this year by \$50,000! Next was the launch of the Cap Ex project fund. To date we have received \$400,000. What we have been able to do with these funds is incredible:

New canopy on the front of the clubhouse

Repair the pool

Redo the Pavilion deck, railing and bathrooms

Playground equipment including new swings

Update outdoor bathrooms/ comply with handicap accessibility

New golf course maintenance equipment

Major upgrade of kitchen equipment

Painting interior of clubhouse

Tree work, recontouring and seeding of areas where trees had been removed

I can't thank the members who have participated in the Cap Ex project Fund enough. This fund is repairing things that have fallen into disrepair because of the financial stress the club has been in the last few years. Between the membership drive we did in 2017, the refinancing and this Cap Ex project we can hopefully secure the financial stability for the club for the foreseeable future. Chatmoss CC is not only an asset to the membership but the whole Martinsville and Henry County Community!

The Cap Ex fund is a work in progress. After the first of the year, we will canvas the members who haven't participated, so we can address the balance of the projects. The main ones are the interior and the exterior of the clubhouse. Unfortunately, the boxwood blight has hit the Chatmoss boxwoods. This in itself will be a big expense, which would involve digging all of them up and re-landscaping the grounds. So I can't stress enough the importance of having everyone who can, participate so we can complete the necessary repairs.

I want to end by thanking all of you again for your support of Chatmoss CC. I wish everyone a Happy and Prosperous New Year and look forward to seeing everyone at "Back in the Saddle" night January 11th.

Bill Sibbick
President

Comments from the Clubhouse Manager

Happy New Year! I hope everyone had a great holiday season and are looking forward to a fabulous 2019. On behalf of all Club employees, thank you for your many kindnesses and generosity to us in 2018.

I want to express a sincere “thank you” to the members and the Board for making so many improvements to the Club. It is a joy for the kitchen employees to have equipment that is working properly. Words cannot express how much better it is in the kitchen. Now, we can focus on really important things like satisfying our members and making your Club visits much more enjoyable. It will be even better once some much-needed improvements and repairs are made to the Clubhouse. A few additions and changes have already been made.

We look forward to re-opening on January 11 with our Back-in-the-Saddle event. The first dance club event will be on January 24 featuring the Band of Oz. Make plans to join the dance club, if you haven't already, so you won't miss the first dance.

Comments from the Operations Manager

The new year has arrived, and I feel 2018 was successful. The club celebrated its 60th anniversary and the Board of Governors is looking to improve for the future. Many capital projects have been completed and more are coming soon. Thanks to all that have made contributions.

Thanks, also, for the many generous donations to the employee Christmas fund. We have a worthy and hardworking staff and they appreciate your thoughtfulness.

Please help us improve the club in 2019. There are many ways to help, which may include sharing an idea for a new social event, sending us a name for a potential member, or just anything that adds value to the club. A thriving membership is the lifeblood of the organization.

Finally, if you have not been added to our text message list, please text the word chatmoss (all lower case) to the number 31996. You will be sent a response link asking which texts you want to receive , for example , dining, tennis, etc.

Thank you for your support.

The winners were selected from over 100 comment cards.

All feedback from members is important to us. Please take time to complete the comment cards.

Happy New Year to everyone, and hopefully Christmas was good also. To begin the new year, we will talk about our PGA Jr. League. This was a huge success again last year, and our course was closed. This year will be better with the course open. There is no doubt this format is the best atmosphere to promote Junior Golf.

Tournament schedule will be finalized by next newsletter. Confirmed tournaments are the Invitational on July 27-28, Member Guest on September 7-8, and Fall Four Ball on October 19-20.

On April 4th, we will host our First Ladies' Day. Please sign up. We want beginners and experts. The more ladies we have, the better our Junior Program. Come learn more about golf and have fun with your friends. Please sign up, the first one is going to be fun!!!

I must say I can't believe 2019 is here. Time really flies when you are having a good time. Rain and snow has been the determining factor this winter. I am in constant contact with George Frye, picking his brain on the greens. I really want to come out on top with this challenge. Leaf removal, clean up, and building maintenance has kept us busy this winter. All of us at Chatmoss Maintenance hope each of you had a Merry Christmas and enjoy a prosperous New Year! Looking forward to spring!

Thanks,

Tennis

Indoor tennis is in full swing. If you are not in a consistent group playing we do have indoor court time available. The cost to play is \$5.00 per person per hour. If you would like to bring a guest to play the guest fee is \$10.00 per visit. Please check in with the pro shop so that we can get the appropriate charges for the guest. Sometimes guests play with our season indoor contract times. Remember that even though contract time has been paid in advance the guest fees will still need to be paid for the guest playing in the contract time. Please come by the pro shop before playing and check your guest and so that we can collect the guest fee. If you do not have a game and want to get out and hit we do have a ball machine that is available on a rental basis. You can rent it by the individual session or buy a seasonal pass. If interested please swing by the pro shop to get information.

Have not played in a while or never really tried your hand at the game. Check with the tennis pros in the pro shop. We are available for lessons to get your game going the right way. This time of year is a great time to get your game going and be ready to play more once the spring weather comes. Yes spring will be here before we know it.

The winter also brings closings with snow. We have already had a big snow early in December. Please check the emails about adjusted times we may be open. Also we will put any schedule changes on our voice mail. If trying to call the pro shop and no message comes up it is very likely we have no power. In that case we are closed but will update the message once power returns.

We have great Chatmoss Country Club logo wear. Pullovers tanks tees and shirts. If you are looking for something to show your club off swing by the pro shops and see if there is something that catches your eye. As always we look forward to seeing you on the court.

Director of Tennis

Fitness Center

Is it that time of year? Is your New Years resolution to get fitter in 2019? Our fitness complex is a great place to make that happen. It is like having your own personal gym. If you have not been to the fitness complex stop by and check it out. We have elliptical trainers, treadmills, bikes and free weights. We also offer different group classes Yoga, Spinning, P90x, Tabata, Core training. Classes are generally an hour and cost \$10.00 a class. If you have not tried a class before all first time participants receive the first class on us. Just let the instructor know or note it on the sign in sheet. We also have a personal trainer available if you need that extra push.

We do tend to get busier this time of year so when using the equipment please take weights off bars and replace on the racks. (Next person may not want as much weight on the bar as you). Please wipe down the equipment with wipes that are in the fitness center. Please sign in on our clip board when arriving. This lets us know who and how many of you guys are coming. If you bring a non-member to join you please note that on our sign in sheet. Guest fee is \$10.00

As always we send out an email on Sundays listing the schedule of classes for the upcoming week. From time to time the emails may stop coming to you. If this is happening let us know in the pro shop 276.632.1857 or email chatmoss10s@aol.com and we will get that info to you. If weather comes we will update everyone with the class schedule adjustments. We ask for your patience in advance as sometimes weather can come in quick or worse than expected. We look forward to seeing everyone at the sports complex soon.

Serving It Up From Chef Joe

First, I would like to extend a huge thanks the Membership and the Board for the upgrades for the Food and Beverage aspect of the Club. The upgrades will allow us to better serve you in the coming

months. This displays the degree of confidence you have shown to myself and the staff. We are looking forward to an exciting New Year at Chatmoss Country Club.

We will begin by kicking off the New Year with the Club's traditional, "Back in the Saddle".

If you're planning on entertaining at the Club in the near future, please contact Judy soon to check for availability. Please continue to make those reservations, so that we may make your dining experience perfect for you and your guest.

Wishing everyone a Happy New Year and look forward to seeing you at the Club.
