Thoughts from the President

Dear Chatmoss Members –

Activity at the club remains high as we move into the 4th quarter of the year. The club's schedule is always busy over the holiday period so please call to book any special functions as soon as possible.

Replacement work has started on the exterior doors and windows of the clubhouse. Thank you for your patience as these much needed repairs will be taking place in October and November with the goal of finishing before Thanksgiving.

As we approach the Thanksgiving and Christmas holidays, I would like to recognize and thank all of the staff at Chatmoss for their efforts in serving the membership. This group of people is a major part of the positive Chatmoss experience. On behalf of the board, thanks to the membership for the support and use of the club!

Comments from the Clubhouse Manager

It is so hard to believe that the Holidays are approaching so quickly. Please make your reservations for Thanksgiving and Christmas. We are looking forward to serving you throughout the Holiday Season. Please call if you need a room for a party, as they fill up quickly sometimes.

I certainly want to thank the membership for their continued support of the Club. You make the difference! Please check out the upcoming events, and don't forget the Sweep on Wednesday, November 13.

On behalf of the staff, I want to wish you a wonderful Holiday Season and a healthy and Prosperous NEW YEAR.

Judy Chaney
Clubhouse Manager

Comments from the Operations Manager

The holiday season has arrived and I hope that each of you have a joyful season. It is also party season, and if your party plans have not been made, please consider Chatmoss for your event. Our banquet staff can handle the details and you can relax and enjoy the festivities.

Once again, thank you to all that made contributions to the capital campaign. At the time of this writing, we are beginning to update the clubhouse. Doors and windows are being replaced as needed, and I am sorry for any inconvenience this may cause. The current clubhouse is 20 years old and I am sure you will like the improvements.

Please check our event calendar and make Chatmoss a part of your plans. For those that have not signed up to receive text info about the club, text the word Chatmoss to the number 31996 to receive messages about club events.

Thank you for supporting the club.

P. C. Wells
Operations Manager

On The Greens

Wow, this year has flown by and I am glad to get those 90° days over. Last year we couldn't get rain to stop and we have been begging for it this year. We have a lot to do before winter gets here with the fertilizing of fairways, tees, and greens. We had a lot of tournaments this year and I want to thank all of my staff for the hard work they did to prepare for them. I am looking forward to next year and hope all of you have the happiest of Holidays.

Thanks,

R.E. Turner, III
Golf Course Superintendent

Tennis Holiday Schedule

Thanksgiving Day
We will be closing at 1:00 on Thanksgiving Day

Christmas Eve • Closing at 12:00

Christmas Day Closed

New Year's Eve • Closing at 12:30

New Year's Day • Opening at 1:00

Please keep in mind our 24 hour cancellation policy. We will have to charge you for lessons that are not cancelled with proper notice. We hope to fit players in for both lessons and available court time when openings become available. Thank you for understanding.

Tennis

The arrival of November marks the beginning of another indoor tennis season. Having our indoor center is such a huge bonus to the membership. We hope everyone can come out and make great use of it this winter. If you are still interested in contract time, you can check with us about available time slots. If you do not have a contract time, feel free to come out and play; the cost is \$5.00 per person per hour. One of our consistent questions we have is about footwear. First, we need our players to wear non-marking shoes. These are shoes that do not leave the black streaks when moving on the court. You can tell when you come to play indoors if you take the side of the sole and pull it on the surface and see if it leaves a black or white streak. If you have these, we will ask that you change shoes or stop playing. Second, some players are concerned about their shoes gripping the court. Some of our players feel that using some older shoes is a nice option for this problem.

All of the six-month indoor contract times will begin on November 1st. Please sign in all guests who may be playing with members on contract times and open reservations, so we can be more accurate with the billing of guest fees. Guest fees are \$10.00 per person. We appreciate your help with this. We hope to keep the outdoor courts open as long as possible. The weather that we get over the next few weeks will determine our ability to keep them open. When we start to get colder nights and you are interested in trying to get outside and play, please call the pro shop to get a report on the court conditions. This will help prevent any confusion about the playability of the outdoor courts.

Fitness Center

We are entering a joyful time of the year with all the holidays around the corner. It is sometimes hard to find the time to workout with so much going on. Remember our fitness center is open during the holidays, so use your pass code to come in and enjoy a good workout. We will continue to post the workout calendar on the website as well as having a printed newsletter in the workout facility for you to take with you. Our spinning classes are much busier with the school year going, and we look forward to seeing everyone there. If you find any of our classes are pretty full it always helps to get there a little early to get your spot. If you are looking for a gift idea that is fitness related, we offer a 10 class punch card. The cost is \$80.00 for the card. The classes on this card are good until all 10 classes are used. We keep the card for you and punch it as you use your classes. This is a great gift idea for the holidays.

We look forward to seeing everyone out at the fitness center at Chatmoss and until the New Year, enjoy your workouts.
